## **EXPERIENCE CAMBRIDGE**

Are you a motivated, high-achieving student?
Would you like to study at a top university abroad?
Do you want to see what life at Cambridge is like?

If so, we would like to invite you to EXPERIENCE CAMBRIDGE, a new shadowing programme organised by us, Cambridge University students for you, talented students attending high schools across Czech Republic and Slovakia.

We promise you an unforgettable experience. If selected, you will have the opportunity to spend four days in Cambridge, where we will provide you with accommodation and meals at a Cambridge College and pair you up with a Czech or Slovak student in your subject of choice who will act as your guide. You will get to go to the lectures, formal dinners and stroll around beautiful old colleges. And you will see that all you need to study at a world-class university abroad is potential and a little bit of ambition. If you have these, apply and perhaps we will not only welcome you in Cambridge this winter, but see you here again in the years to come.
